

# MyLocalPro.com Lends a Helping Hand

## ***FREE Promotional & Communication Assistance ...for Your Small Local Business during Challenging Times!***

On the heels of the biggest national disaster to hit regions of Massachusetts and Rhode Island, MyLocalPro.com is offering a FREE One Year Business Profile Listing in its Local Business Directory to all small local businesses directly and negatively impacted by the recent storm and flooding.

This offer is valid from April 12th through May 15th.

### **Benefits**

- Maintain business identification and/or brand recognition during challenging times;
- Provide temporary addresses and contact information;
- Provide clients and neighbors with regular updates of status, hours, service & product availability, re-opening, etc, using our profile billboard

### **Features**

- Profile available for search in our local business directory
- Profile presence and updates will be announced through various online and social networking mediums
- Re-Opening Announcements
- Link to profile and Updates will be posted on Local Community Billboards (to be created for heavily impacted communities in Massachusetts and Rhode Island)

### **Eligibility**

- Available to all small local businesses that have incurred sustainable damage to personal property or physical business location caused by the recent flooding;
- Small Businesses must be located in regions of Massachusetts and Rhode Island deemed to be under a state of emergency;
- We are not looking for contractors or businesses that may be able to assist those impacted; although you may greatly benefit from listing your business in our directory (in which case, your service will be promoted).

## Registration/ Profile Set-up

- No paperwork (other than registration and set-up)
- No proof of damage or evidence of state or federal acceptance
- Registering your business and setting up your profile is very easy (no geek experience required).
- We recognize that you have lots going on; so, to the extent possible, we will provide as much assistance as physically possible!

## Do It Yourself

- Register directly by contacting us via email to obtain Free Password information. Use the 'Contact Us' function at [www.mylocalpro.com](http://www.mylocalpro.com) ... SUBJECT: "Flood Set-Up Registration"
