

## Unlimited Keywords

When you list your business with MyLocalPro.com,

You are able to select an unlimited number of “keywords” to enhance and increase the chances that your profile will be viewed

---

Our Keyword Program searches three fields:

1. Business Name
2. Categories (selected as part of your registration)
3. Specialties (added as part of your profile development)

When completing your Specialties field include ALL the keywords (or tags) that a visitor may use to find your type of business

---

PLUS ...

You can change and modify your Specialties as appropriate!!
