Locally Owned & Operated

A special website that promotes and spotlights small local businesses!

Why List with MyLocalPro.com?

Local residents and neighbors want to do business with you ~ the local pro that they can talk to, meet with, & trust!

HOWEVER, they can't find you ... or your hours do not match their availability ... or they just don't know which small businesses are reliable...

More of them are using the internet to find and shop for service providers (a recent study states that over 53% of the population uses the internet for this purpose).

However, the traditional search engines are populated with bigger competitors who can pay thousands of \$\$ for premier listing spots!!

If you can relate to or understand this challenge, then you need to establish a business profile with MyLocalPro.com!!

At MyLocalPro.com, our objective is make your business information as readily available as possible and provided in an "user - friendly" format.

MyLocalPro.com is ALL ABOUT the promotion of small local businesses!!

What is a MyLocalPro.com Profile?

Spreading the MyLocalPro.com Brand

Thousands of consumers now flock to our site monthly to search and browse ... most are in your target market!

By listing with us, you are effectively becoming part of a coop advertising group!

Perhaps you have seen our 'MyLocalPro.com - Need what? Check us out' ads in local newspapers?

MyLocalPro.com has created a proprietary online advertising program that puts the MyLocalPro brand on all major search engines and social networks.

Now our "View Local Businesses Online" signs are popping up throughout our target communities, visible at high traffic eating establishments throughout our market, as well as popular morning coffee stops and evening train arrival locations!!

We are working with various community and sports groups to make the 'MyLocalPro.com' brand name visible at key community venues. As a local business, all of our advertising dollars are directed into your market!!

NEW: 'Click Local Sites' flyers now displayed at high traffic locations throughout your market area!!
